

## **Home Practice Form (for Rehearsal Credit 2023-24)**

May be used up to two times per year

\*This form will only be accepted if the absence request form has also been completed.

## **Expectations:**

- With only one weekly rehearsal, consistent attendance has always been an imperative part of our orchestra's success. Practicing at home is expected of ALL members and does NOT replace group rehearsal time. When one member is absent, it impacts the entire orchestra's musical balance.
- However, students who are severely ill and/or contagious should not attend rehearsals in person.
- \*This form attests that the student practiced current FCLYO music for a minimum of 75 minutes during the week of the missed rehearsal.\*

## How/when to complete this form:

- 1. First, complete the absence request form a minimum of one week in advance for planned absences and upon returning to rehearsal for last minute illness or emergencies. **BOTH forms are required to receive rehearsal credit.**
- 2. Practice your FCLYO music for a minimum of 75 minutes, and be sure to keep track of which pieces you played at home. Check with your section leader for specific pieces to work on.
- 3. You may receive up to two "grace" absences where you will NOT be marked absent if you turn in this form. This form is due the week following the missed rehearsal. **Late forms will not be accepted.**
