### **Tour Company**

Our hosting company is Super Holiday Tours. They will be handling and directing our trip, and all FCLYO members will be required to create an account online at [www.superholiday.com](http://www.superholiday.com). Please check your email and our website for more tour information as it becomes available.

### **Tour Fundraising**

You may register at [www.givebutter.com/orchestra](http://www.givebutter.com/orchestra) to receive individual donations from your friends and family for your tour costs. We will also hold several ticketed performance fundraisers. **Any funds raised for your student at our events will be paid directly to the tour company by FCS on your behalf.** Note that FCS does not accept checks or cash designated for individual students' tour costs.

### **FCLYO Tour Participation Requirements**

The tour cost is an all-inclusive flat rate and cannot be prorated or altered. All FCLYO members are required to participate in the entire tour, including traveling with the group **to and from** our destination with instruments and all equipment and staying in designated FCLYO rooms. We do not accommodate requests for separate itineraries or traveling earlier/later unless an overall exception is made for a specific tour. Exceptions for individuals will not be made. Annual FCLYO Tours are performance-based trips as well as a team building and bonding experience with the orchestra from the moment we meet at FCS or the airport until the moment we return. Students are **not** required to have a parent attend in order to participate, but parents are welcome to register with our group and join us on air travel tours or travel separately on local tours. Fundraising will only be available for FCLYO members. Official chaperones will be selected at a later date by the director.

***Orlando Exception:*** *Students may request to stay longer and book their own return flights from Orlando with advanced permission. A parent/guardian must check the student out on the last day of the trip ONLY at the time designated by the director (typically upon the group's hotel checkout). All students must travel with the group to Orlando and complete all portions of the tour itinerary before checking out with parents. Students who extend their trips are responsible for transporting their own instruments home, including any airline fees, and paying for their additional accommodations.*
